imply Hash Spread Until Head, Face and Body were Covered with Eczema — Hands Bandaged to Keep from Scratching—Was-a Fearful Sight and Defied Cure.

CUTICURA MADE SKIN CLEAR AND HEALTHY

"My baby's eczema came on when he was three months old, like a rash on his face and then spread over his head. Then there began to form a lot of small pimples over his head from which a watery substance came out and formed a regular mass of crust all over his head, face and body. I had to tie woolen cloths on his hands to keep him from scratching himself. He was a fearful sight to look at. I went to a drug store and tried some of their romedies for eczema but they did not do him any good. I then called in one of our leading physicians and he tried several kinds of medicine and gave me prescriptions, but they only made him worse.

"At this stage a lady friend of mine came in and advised me to try the Cuttura Remedies. That afternoon I sent for a cake of Cuticura Soap, a box of Cuticura Ointment and one vial of Cuticura Pills, and in less than a week I could see a vast improvement in him. I washed him all over every morning with the Cuticura Soap and gave him an application of the Cuticura Ointment after his bath. I kept on using the Cuticura Remedies until he was completely cured. They left his skin clear and healthy and I always have kept the Cuticura Remedies in the house ever since. I highly recommend Cuticura to all persons suffering from eczema. Mrs. Kate Brougham, 200 Dowey St., Bennington, Vt., Dec. 5, 1908 and Jan, 17, 1909."

PIMPLES CURED

"I congratulate Guticura upon my speedy recovery from pimples which covered my face. I used Cuticura Scap, Ointment and Resolvent for ten days and my face cleared and I am perfectly well. I had tried doctors for several months but got no results, Wm. J. Sadlier, 1614 Susquehanna Ave., Philadelphia, Pa., May 1, 1909."

JUYETTE SPLITS TACKS AND RUNS AWAY WITH RAGE

Keen Skipper Scents a Fresh Breeze From Afar and Makes Dash for It.

MARBLEHEAD, MASS., September 3. —To-day's international sonderklasse race, the fourth of the series for the President Tatt and Governor Hughes race, the fourth of the series for the President Taft and Governor Hughes cups, wan won by the Joyette, ewned by Commodore W. H. Childs, of the Bensonhurst Yacht Club, of Brooklyn, in the presence of the President of the United States, the Secretary of the Navy and a host of other onlookers. The President witnessed the contest from the bridge of the United States steam yacht Sylph and several members of his family were with him.

The Revella, the German challenger, led the fleet of six yachts at the end of the first trip over the windward and leeward courses, while the Joyette was an even three minutes behind her, in fourth place.

Going out to windward for the second time the Joyette split tacks with the fleet and took a long hitch to the southeast, while the other racers stood inshore on the port tack. Sailing off by herself, the Joyette ran into the fresh breeze that her skipper, W. W. Swan, had seented before completing the first round. Had one of the German boats followed the request of the committee to chase any American boat that split tacks the result might have been different.

The Joyette was far ahead of all the boats at the turn. It required only a simple spinnaker run to the finish for the Joyette victory gives her two legs on the Taft cup and ties her with the Ellen for the Drager out.
